GARRISON
MSS.

Dear Friend,

I received the
Liberators of the 7th ult.
I have sent ~~a~~ part of what
you say respecting Edmund
Bumpf. to the Times, London.

I push the Times and enclose
R. Fredericks letter which
appeared in it, and afterwards
in almost the whole of the
other papers. "American

Slavery," which appeared in
The Times the former day as
his letter, afterwards went
the round of the papers.

I leave this for
scattered, for 6 months,
at least, on the 5th Inst.
My regular address will be
"W. Logan.

30. St. Enoch Sq.
Glasgow."
Dr Chalmers of the Free

company of Dr. Langhth the ~~Scane~~
Church, died suddenly an
evening, Tuesday the 30th May, at
Edinburgh. The Free Church
Assembly have made a
disgraceful job of American
Slavery!

In great haste,

your friend,

William Lyon.

W. L. Garrison.
